The man with his money in our Bank does not fear fire nor burglars.

It is not only downright carelessness to keep money in your house, but it subjects you and your family to grave DANGER.

Not only may you lose it by fire, but burglars may break in and steal it. Burglars always "spot" the houses where money is kept and they will stop at nothing—even MURDER—to get it.

Bank your money where it will be safe from fire, burglars or your own extravagance.

We pay 3 per cent interest on time certificates of deposit
